REQUIREMENTS FOR ELIGIBILITY-Exemption

Virginia State Code of Taxation

§ 58.1-3668 One motor vehicle owned and used primarily by or for a veteran of the Armed Forces of the United States or the Virginia National Guard who has been rated by the U.S. Department of Veterans Affairs or its successor agency pursuant to federal law with a 100 percent service-connected, permanent, and total disability shall be exempt from taxation. Any such motor vehicle owned by a married person may qualify if either spouse is a veteran who is rated as 100 percent disabled. For purposes of this section, “motor vehicle” means only a passenger car or a pickup or panel truck that is registered for personal use, and a person is blind if he meets the provisions of § 46.2-100.

This exemption shall be applicable beginning on the date the motor vehicle is acquired or January 1, 2021, whichever is later, and shall be applicable for any period of time prior to January 1, 2021. The exemption shall expire on the date of the disabled veteran’s death and shall not be available for his surviving spouse.

For Purposes of Clarification

§ 58.1-3506.3 Permanently and totally disabled defined. – For purposes of this article, the term “*permanently and totally disabled*” means unable to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment or deformity which can be expected to result in death or can be expected to last for the duration of such person’s life; however, a certification pursuant to 42 U.S.C. § 423 (d) by the Social Security Administration, so long as the person remains eligible for such Social Security benefits, shall be deemed to satisfy such definition in this section.
